

DLM 4000.25 Series of Manuals (former DOD 4000.25-M Series of Manuals)

DODI 4140.01, dated December 14, 2011, authorized the conversion of the DOD 4000.25-M series of manuals to DLMs. The DLA Logistics Management Standards Office officially issued these DLMs on June 22, 2012.

The DLM 4000.25 series of manuals contains the procedures for inclusion of pRFID in the DLMS, MILSTRIP, and MILSTRAP transactions, as well as procedures for using the XML reader Registration, Visibility, and Visibility Response transactions. These are key to the business process implementation of pRFID.

To ensure currency, we have not posted these documents. Please find them on the Defense Logistics Agency Logistics Management Standards Office publishing site at: http://www.dla.mil/j-6/dlms/eLibrary/Manuals/dlm/dlm_pubs.asp.

| | |
|----------|-------------------------------------------------------------------|
| DLM | Defense Logistics Manual |
| DLMS | Defense Logistics Management Standard |
| MILSTRAP | Military Standard Transaction Reporting and Accounting Procedures |
| MILSTRIP | Military Standard Requisitioning and Issue Procedures |
| pRFID | Passive Radio Frequency Identification |
| XML | Extensible Mark-up Language |
