

HUNGARY

1. Surface: For cargo transiting Hungary via surface transportation, the mode operator must present a copy of the Form 302 prepared at origin. The Hungarian border officials will stamp the form at entry and exit but do not keep a copy.

For cargo terminating in Hungary, the origin Form 302 stamp holder must also complete a Hungarian NATO/PfP tagallam Fegyverese Eroi (Defences Forces of NATO/PfP Member) form. The Form 302 stamp number and the signature on the NATO/PfP form must be the same as the Form 302. This requirement is primarily for Field Training Exercises, but has, on occasion, been applied for other terminating cargo as well.
