Recommendation

- Active inventory accessible and easy to use and manage
- All containers inventoried regardless of ownership, type
- Establish mechanism and policy for purging of retired and unlocated containers
- Development of a fleet replacement program that includes funding

AAR

- Sustain
 - DOD Inventory COP
 - DOD Inventory Meetings
 - Certificate of Excellence

- Improve
 - Policy & procedure changes
 - Continue to build the CCO network
 - Timely updates of ACAMS data
 - Lack of continuity plans for some facilities
 - increase number of ACAMS users in all the Services
