Collaborative Online Environment

STANLEY

■ Agenda

- Objective
 - Present JIWG website
 - Describe current and future features
 - Solicit Ideas and feed back for further development
 - Recap objective of website
- Milestones
 - Accomplishments and Projections
- Key to success
 - Contributes to the quality of end products and the efficiency of production
- Way Ahead

■ Preliminary release of JIWG website

- Purpose of this initial release of the JIWG website is to stimulate ideas and feedback for further development of the site to meet the unique needs of the JIWG community.

■ Web Address

- <http://www.jiwg.com>

The screenshot shows the JIWG website interface. At the top left, the logo "JIWG" is displayed in large, bold, white letters, with "Joint Intermodal Working Group" written below it in a smaller, black font. To the right of the logo is a photograph of a metal structure, possibly a train car or a large container, with some text visible on it. Below the logo and photo is a navigation bar with the following items: Home, Member Info, Groups, Events, Links, and Log Out. Below the navigation bar, there are two main sections. On the left, there is a "Personal Info" box with the text "You are logged in as: Cardona, Victor" and a "Change Password" link. To the right of this box, the text "JIWG" and "1 Events" is displayed. On the right side of the page, there is a light blue box containing the following text: "Home Page", "Snapshot of items of interest", "Possible Additions", and a bulleted list: "•Add tab for minutes", "•Announcements", and "•JIWG mission statement".

Possibly add column to identify what committee they are on if any.

When you select a name in the list that individual's details are shown as illustrated here.

The screenshot shows the JIWG website interface. At the top left is the JIWG logo and the text "Joint Intermodal Working Group". Below this is a navigation bar with tabs for Home, Member Info, Groups, Events, Links, and Log Out. The "Groups" tab is selected. On the left, a "Personal Info" box shows the user is logged in as "Cardona, Victor" with a "Change Password" link. The main content area displays a "Groups" section with a table:

Groups	
Name	Extended Name
JIWG	
Create a new group...	

Below the screenshot, a light blue box contains the following text:

Groups (rename to Documents)

The Intermodal Initiatives Committee (IIC) and Standards Committee (SC) will be add as groups

Documents for general dissemination will be Posted to the JIWG group. Only members of the IIC or SC have access to their respective folders Making it a good place to put working documents Within a committee.

The screenshot shows the JIWG website interface. At the top left is the JIWG logo and the text 'Joint Intermodal Working Group'. A navigation bar contains links for Home, Member Info, Groups, Events, Links, and Log Out. The 'Events' link is highlighted. Below the navigation bar, there is a 'Personal Info' section on the left with the text 'You are logged in as: Cardona, Victor' and a 'Change Password' link. To the right of this section, event details are displayed: Title: IANA Expo, Start Date: 2006-11-11, End Date: 2006-11-14, Description: Exposition and discussion groups on intermodal initiatives, and Group: JIWG. An 'Edit' button is located below the group information. A light blue box with a black border is overlaid on the page, containing the text 'Events details' and a paragraph stating that a document window similar to that in groups will be included to display documents associated with the event.

The screenshot shows the JIWG website interface. At the top left, the JIWG logo is displayed in large, bold, white letters, with the text "Joint Intermodal Working Group" underneath. To the right of the logo is a photograph of a shipping container. Below the logo and photo is a navigation bar with the following links: Home, Member Info, Groups, Events, Links, and Log Out. The "Links" link is highlighted in orange. Below the navigation bar, the page is divided into several sections. On the left, there is a "Personal Info" box with the text: "You are logged in as: Cardona, Victor" and a "Change Password" link. To the right of this box is a "Links" section. This section is titled "Links" and is divided into three sub-sections: "Government", "Industry Associations", and "Standards Organizations". The "Government" section lists various government agencies and departments, including the U.S. Government Official Web Portal, DOT Department of Transportation, DHS Department of Homeland Security, DOD Department of Defense, USTRANSCOM U.S. Transportation Command, AMC Air Mobility Command, MSC Military Sealift Command, and SDDC Surface Deployment and Distribution Command. The "Industry Associations" section lists IANA Intermodal Association of North America. The "Standards Organizations" section lists ISO International Organization for Standardization, ANSI American National Standards Institute, NIST National Institute of Standards and Technology, and ASTM American Society for Testing and Materials. A light blue box with a black border is overlaid on the right side of the "Links" section, containing the text: "Links page of useful government and commercial websites".

Links

Links page of useful government and commercial websites

■ Objective

– Collaborative Environment

- An environment where government and commercial partners can share information, such as: electronic documents and calendar of events and collaborate efforts on a medium available to all participants and accessible anywhere via the internet.

– Resource

- Repository of information for research
 - Past and present documents generated and shared by participants
 - Useful Links to government and commercial organizations
 - Library of Reference Data (Standards, CAD drawings, Diagrams, Pictures, Etc.)*
- Events calendar

June 2006						
Sun	Mon	Tue	Wed	Thu	Fri	Sat
				1	2	3
4	5	6	7	8	9	10
11	12	13	14	15	16	17
18	19	20	21	22	23	24
25	26	27	28	29	30	

■ Milestones

* Projected Dates

■ Key to success

- Wide dissemination of use
- Enhances quality of collaborative efforts
- Increases efficiency of collaborative and independent work efforts
 - Simplifies and streamlines the collection and sharing of information
- Convenient
- Easy to use

■ Way ahead*

- Expanded capabilities
 - Enhanced structure
 - Development of Group and Individual work environments
 - Library of reference material (Standards, Diagrams, Pictures, etc.)
