

AGENDA
Joint Intermodal Working Group
7 June 2010

0900-0905 Administrative Remarks (SDDC-AIDPMO)

0905-0910 Welcoming Remarks (JIWG Co-Chairs DLA/USTRANSCOM)

0910-0915 JIWG Meeting 8 Dec 09 Recap (reference JIWG Minutes) (DLA Co-Chair)
(Brief summary of JIWG meeting and due outs)

Due Outs (reference JIWG Minutes):

0915-0930 MIL-HDBK-138B/IICL-5: Action to Defense Ammunition Center (DAC) to review issue and make recommendation to JIWG Standards Committee. A DOD standard could be written making MIL-HDBK-138B the DOD standard with current criteria for ammunition and HAZMAT remaining the same and new criteria based on IICL-5 for general dry cargo containers. (Summary of issue and proposed way ahead. JIWG approval/reject vote will be taken.) (DAC)

0930-1015 Due outs for Army G4 and SDDC-GCM. Joint Intermodal Platform Management System, Spiral 2 (Summary of issue followed by JIWG recommendation vote) (Reference JIWG Minutes):

- a. 0930-0950. Army G 4 due out is to determine whether Spiral 2 is necessary and report its findings/recommendations to the JIWG. (ARMY G4)
- b. 0950-1010. SDDC Global Container Manager is requested to provide way ahead for spiral 2 at next JIWG meeting (TBD). (SDDC-GCM)
- c. 1010-1015. JIWG member vote on recommended way ahead (JIWG Voting Members—DLA, USTRANSCOM, Joint Staff/J4, Army, Navy, USAF, USMC)

1015-1030 BREAK

New briefing or discussion topics:

1030-1130 Brief and Discussion: Processes and procedures for oversight and disposition of carrier-provided and leased containers procured with DOD funds during OIF/OEF. (Reference OSD memo, 18 Dec 09) (USTRANSCOM)

1130-1300 LUNCH

1300-1345 Information Brief: DOD Automatic Identification Technology Implementation update. (USTRANSCOM)

1345-1415 Information Brief: Army 180 Day Plan **(SDDC-AIDPMO)**

1415-1445 Discussion: Why are there continued buyouts of carrier-provided and Textainer-leased containers? What's being done to reduce buyouts? **(Discussion Lead: OSD)**

1445-1500 **BREAK**

1500-1520 **(5 minutes each)** Information Briefs: Service Updates on Service Container Management Programs (include policy, container mgmt, life cycle mgmt, Service Container Manager, etc) **(Briefing Order: ARMY, NAVY, USAF, USMC)**

1520-1550 Information Brief: SDDC Container Management Update (2010 Inventory, Detention Issues, Buyouts, Container Management in Haiti Operation Unified Response, SDDC-GCM interface with COCOMs, and other topics) **(SDDC-GCM)**

1550-1600 DTR Part VI Update **(USTRANSCOM)**

1600-1620 Proposed Container Management Summit/Meeting with COCOMS, Services, Agencies **(USTRANSCOM)**
(Summary of what we hope to accomplish in the 'summit,' and brief recap of the 1997 Container Management Meeting. What we (DOD) have/have not accomplished.)

1620-1640 Information Brief: Joint Pub 4-09, Distribution Operations—Sections on Container Management and Way Ahead for a Multi-Service Tactics, Techniques, and Procedures Pub on Container Management. **(USTRANSCOM)**

(An overview of joint doctrine on container management embedded in revised Joint Pub 4-09, Distribution Operations and how the TTP void left by cancellation of Joint Pub 4-01.7, JTTP for Use of Intermodal Containers in Joint Operations will be filled. Decision vote may be required for way ahead.)

1640-1700 **WRAP UP** **(DLA JIWG Co Chair)**
