

# OSD Container Policy

- Revised “Draft” Policy Memorandum for “Global Container Management Policy” out for formal coordination...request principal chop/coordination NLT 29 May
- Revision is based on OSD General Counsel recommendation that Deputy Secretary of Defense sign the policy
- Policy incorporates the 14 November 2008 policy memorandum from OSD Comptroller “Subject: Container Detention Payments during Contingency Operations”
- Changes:
  - Removed references to supplemental funding
  - Changed language from Military Department to Service Component where appropriate
- Policy memorandum is to be a supplement to be in consonance with the container guidance in DoDI 4500.57 and incorporated into that issuance during the next update.

Policy provides guidance for effective and efficient container management during Contingency Operations
