Cargo Commodity (CC) Codes

<u>CC</u>	<u>Nomenclature</u>	<u>Description</u>
63	Full Service	Point to point GPC movement. POVs moving between contractor operated CONUS/OCONUS Vehicle Processing Centers (VPCs).
64	Partial Service	POVs moving between contractor operated CONUS/OCONUS VPCs and government operated OCONUS VPCs are referred to as "partial service" POV movement.
65	Hardlift	A POV movement to/from an area where there is no SDDC presence, or where no government over ocean carriage contract is in place for a POV move. These POV movements are outside of the shipments handled by SDDC's primary POV shipping contractor's area of responsibility. Special arrangements are required with the U.S. State Department for moves to/from U.S. Embassies, or arrangements are made on a one-time-only basis.
66	Home Port Relocation	CONUS to CONUS POV movement due to unit relocation.
95	POV Storage	The storage of the service member's POV is a premium service based on entitlement stated in the member's PCS orders. The billing rate is a monthly storage space charge, and recovers the contractor's linehaul (in and out), processing (in and out), and monthly storage cost.
